Subject Index

Abdomen

- deep inferior epigastric perforator flap for breast reconstruction (Allen and Treece) 1994;32:32
- donor leg morbidity after pedicled rectus femoris muscle flap transfer for abdominal wall and pelvic reconstruction (Caulfield et al) 1994;32:377
- re: secondary reconstruction of abdominal wall defects associated with exstrophy of the bladder (Marconi and De Castro) 1994;32:652 (Letter)

Acromegaly

- external rhinoplasty approach for the treatment of acromegaly (Dabb and Aker) 1994;32:630 (Case report)

Allergy; see Hypersensitivity

Anastomosis, surgical

- analysis of suturing techniques in the microvascular anastomosis of vessels of unequal diameter (Ahn et al) 1994;32:469
- medial approach to the sural vessels to facilitate microanastomosis about the knee (Hallock) 1994;32:388
- microvascular anastomoses utilizing new intravascular stents (Moskowitz et al) 1994;32:612

Anatomy

- nasal bones and pyriform apertures in blacks (Ofodile) 1994;32:21
- surgical anatomy of the subcutaneous fascial system of the scalp (Tremolada et al) 1994;32:8

Angiogenesis; see Neovascularization

Ankle

- radiation necrosis overlying the ankle joint after injection with yttrium-90 (Peters and Lee) 1994;32:542 (Case report)

Anoxia

- hypoxia: another issue to consider when timing cleft repair, with invited discussion by Hinkle (Wood) 1994;32:15

Antibiotics

- diffusion of antibiotics across tissue expanders: an in vitro study, with invited discussion by Morain (Kenna et al) 1994;32:346

Aorta

- influence of radiotherapy and chemotherapy on regeneration at arterial microanastomoses: an experimental and clinical study (Sidorov et al) 1994;32:45

Argon-pumped tunable dye laser

- argon-pumped tunable dye laser (Apfelberg) 1994;32:394

Arm

- compartment syndrome in children (Paletta and Dehghan) 1994;32:141
- donor site deficit of the osteocutaneous radial forearm flap (Smith et al) 1994;32:372
- elbow defect coverage with a one-staged tunneled

- latissimus dorsi transposition flap (Chang et al) 1994;32:496

- forearm compartment syndrome following brachial arterial puncture in uremia (Safran et al) 1994;32:535 (Case report)

Augmentation mammoplasty; see Mammoplasty

Auricle

- comparative study of auricular dimension for the normal auricles of microtia patients, their parents, and normal individuals (Matsuka et al) 1994;32:135

Autoantibodies

- is there a relationship between autoantibodies and silicone-gel implants?, with invited discussion by Hochberg (Peters et al) 1994;32:1

Bandages

- influence of occlusive and impregnated gauze dressings on incisional healing: a prospective, randomized, controlled study (Michie and Hugill) 1994;32:57

Basal cell carcinoma; see Carcinoma, basal cell

Basal cell nevus syndrome

- maxillofacial considerations for diagnosis and treatment in Gorlin's syndrome: access osteotomies for cyst removal and orthognathic surgery (Posnick et al) 1994;32:512 (Case report)

Basic fibroblast growth factor; see Fibroblast growth factor, basic

Biocompatible materials

- potential biomaterial composite for dermal and subcutaneous augmentation (Eppley et al) 1994;32:463

Biodegradation

- memory of DL-poly(lactic acid) biodegradable plates (Losken et al) 1994;32:606

Biomechanics

- biomechanical analysis of dorsal plate fixation in proximal phalangeal fractures (Damron et al) 1994;32:270
- some biomechanical considerations in microsutures (Van Meter et al) 1994;32:401

Bites, human

- traumatic self-inflicted bite with embedded tooth fragments in the lower lip (Taran et al) 1994;32:431 (Case report)

Blacks

- Dupuytren's contracture in the black population: a review (Mitra and Goldstein) 1994;32:619
- nasal bones and pyriform apertures in blacks (Ofodile) 1994;32:21

Bladder exstrophy

- re: secondary reconstruction of abdominal wall defects associated with exstrophy of the bladder (Marconi and De Castro) 1994;32:652 (Letter)

Blepharoptosis

modified split-level lid resection for blepharoptosis, with invited discussion by Pearl (Atabay et al) 1994;32:276

Blood coagulation disorders

von Willebrand's disease and plastic surgery (Guyuron et al) 1994;32:351

Blood flow

analysis of lower extremity blood flow in the patient with peripheral vascular insufficiency: a guide for plastic surgeons (Lovett et al) 1994;32:101 (Review article)

Bone, transplantation

combined paraumbilical perforator skin flap and vascularized pubic bone graft (Itoh et al) 1994;32:209 (Case report)

Bone lengthening

treatment of brachymetatarsia by callus distraction (callotaxis) (Kawashima et al) 1994;32:191 (Case report)

Bone plates

biomechanical analysis of dorsal plate fixation in proximal phalangeal fractures (Damron et al) 1994;32:270

memory of DL-poly(lactic acid) biodegradable plates (Losken et al) 1994;32:606

Book reviews

Aesthetic Facial Surgery, by McKinney and Cunningham (Commons) 1994;32:111

Anesthesia for Facial Plastic Surgery, edited by Nique and Tu (Ikeda) 1994;32:654

Atlas de Rhinoplastie et Voie d'Abord Externe, by Aiach and Gomulinski (Williams) 1994;32:335

Biological Basis of Facial Plastic Surgery, edited by Meyers (Vistnes) 1994;32:654

Bone Grafts and Bone Substitutes, edited by Habal and Reddi (Dufresne) 1994;32:336

The Care of Congenital Hand Anomalies, Second Edition, by Platt (Brown) 1994;32:656

Composite Rhytidectomy, by Hamra (Stuzin) 1994;32:335

Electrical Trauma: The Pathophysiology, Manifestations, and Clinical Management, by Lee et al (Garner) 1994;32:448

Facial Fractures, by Wolfe and Baker. In: *Operative Techniques in Plastic Surgery*, Goin, series editor (Cohen) 1994;32:658

Vertical Mammoplasty and Liposuction, by Lejour (Colon) 1994;32:656

A Woman's Decision: Breast Care, Treatment, and Reconstruction, Second Edition, by Berger and Bostwick (Noone) 1994;32:655

Brachial artery

forearm compartment syndrome following brachial arterial puncture in uremia (Safran et al) 1994;32:535 (Case report)

Brachymetatarsia

treatment of brachymetatarsia by callus distraction (callotaxis) (Kawashima et al) 1994;32:191 (Case report)

Breast

capsular compliance: a measure of a "hard" prosthesis (Peterson et al) 1994;32:337

complex reconstruction of the chest wall and breast utilizing a customized silicone implant (Hochberg et al) 1994;32:524 (Case report)

deep inferior epigastric perforator flap for breast reconstruction (Allen and Treece) 1994;32:32

evaluation of ultrasound as a tool in the follow-up of patients with breast implants: a preliminary, prospective study (Petro et al) 1994;32:580

factors affecting the rupture of silicone-gel breast implants (Peters et al) 1994;32:449

fibroblast behavior in vitro is unaltered by products of staphylococci cultured from silicone implants (Dobke et al) 1994;32:118

free transverse rectus abdominis musculocutaneous flap for breast reconstruction: one center's experience with 211 consecutive cases, with invited discussion by Shaw (Schusterman et al) 1994;32:234

inframammary island flap: anatomical basis (Bertelli and do Valle Pereira) 1994;32:315 (Case report)

is there a relationship between autoantibodies and silicone-gel implants?, with invited discussion by Hochberg (Peters et al) 1994;32:1

"L" reduction mammoplasty (Born) 1994;32:383

postmastectomy complications in breast reconstruction (Crespo et al) 1994;32:452

radiation therapy as a cause of capsular contracture (Rosato and Dowden) 1994;32:342

smooth versus textured expander implants: a double-blind study of capsule quality and discomfort in simultaneous bilateral breast reconstruction patients, with invited discussion by Manders (May et al) 1994;32:225

stacked transverse rectus abdominis musculocutaneous flap revisited in breast reconstruction (Travaglino-Parda et al) 1994;32:565

two-staged breast reconstruction in patients with symptomatic macromastia requiring mastectomy (Greco et al) 1994;32:572

versatile superficial inferior epigastric flap for breast reconstruction (Volpe et al) 1994;32:113

Browlift; see Eyebrow**Burns**

tissue-expanded visor flap in burn surgery (Datubo-Brown et al) 1994;32:205 (Case report)

Callus distraction

treatment of brachymetatarsia by callus distraction (callotaxis) (Kawashima et al) 1994;32:191 (Case report)

Capsular contracture

capsular compliance: a measure of a "hard" prosthesis (Peterson et al) 1994;32:337

radiation therapy as a cause of capsular contracture (Rosato and Dowden) 1994;32:342

Carcinoma, basal cell

giant adenoid basal cell carcinoma (Herring) 1994;32:544 (Case report)

Carcinoma, squamous cell

relationship of angiogenesis to biological activity in human squamous cell carcinomas of the head and neck (Albo et al) 1994;32:588

Carpal tunnel syndrome

subjective and employment outcome following secondary carpal tunnel surgery (Strasberg et al) 1994;32:485

Cartilage

determination of the viability of crushed cartilage grafts: clinical implications for wound healing in nasal surgery (Bujía) 1994;32:261
fate of fresh and preserved, noncrushed and crushed autogenous cartilage in the rabbit model (Rudderman et al) 1994;32:250
growth potential of autogenous cartilage grafts in expanded skin: an experimental study in rabbits (Mutaf et al) 1994;32:126
role of preserved autogenous cartilage graft in septorhinoplasty (Guyuron and Friedman) 1994;32:255

Case reports

anteromedial thigh: a source for phallic reconstruction (Üstüner et al) 1994;32:426
cleft lip and hemangioma: a patient with Wolf-Hirschhorn syndrome (Lo et al) 1994;32:539
combined paraumbilical perforator skin flap and vascularized pubic bone graft (Itoh et al) 1994;32:209
complex reconstruction of the chest wall and breast utilizing a customized silicone implant (Hochberg et al) 1994;32:524
cross lip flap in vermilion reconstruction (Standoli) 1994;32:214
Dermatofibrosarcoma with lymph node involvement (Mavili et al) 1994;32:438
elastofibroma dorsi: case report and brief review (Bieger et al) 1994;32:548
extended anterior thigh flaps for repair of massive cervical defects involving pharyngoesophagus and skin: an introduction to the "mosaic" flap principle (Koshima et al) 1994;32:321
external rhinoplasty approach for the treatment of acromegaly (Dabb and Aker) 1994;32:630
facial contour reconstruction in lipodystrophy using a double paddle dermis-fat radial forearm free flap (Endo et al) 1994;32:93
familial multiple glomus tumors: report of a pedigree and literature review (Tran et al) 1994;32:89
forearm compartment syndrome following brachial arterial puncture in uremia (Safran et al) 1994;32:535
giant adenoid basal cell carcinoma (Herring) 1994;32:544
improved sternal fixation in the correction of pediatric pectus excavatum (Bentz et al) 1994;32:638
inferior rectus abdominis bridge flap for revascularization of an ischemic tongue (Nakatsuka et al) 1994;32:97
inframammary island flap: anatomical basis (Bertelli and do Valle Pereira) 1994;32:315
interfascicular reconstruction of the peroneal nerve after knee ligament injury (McMahon and Craig) 1994;32:642

latex allergy: an intraoperative hazard (Lesavoy et al) 1994;32:423

maxillofacial considerations for diagnosis and treatment in Gorlin's syndrome: access osteotomies for cyst removal and orthognathic surgery (Posnick et al) 1994;32:512

Menkes' syndrome: wound healing in a long-term survivor (Al-Qattan and Thomson) 1994;32:550
nasal dermoid sinus cysts: an unusual presentation, computed tomographic scan findings, and surgical results (Posnick et al) 1994;32:519
new palmaris brevis musculocutaneous flap (Ueda and Inoue) 1994;32:529
radial forearm flap as a pedicled flap for resurfacing a scarred nose (Frey) 1994;32:200
radiation necrosis overlying the ankle joint after injection with yttrium-90 (Peters and Lee) 1994;32:542

reconstruction of cryptotia using a skin graft (Park et al) 1994;32:441

sliding V-Y perineal island flaps for large perianal defects (Core et al) 1994;32:328

symptomatic lacrimal duct diverticulum associated with closed nasal fracture (Spinelli and Shih) 1994;32:434

tissue-expanded visor flap in burn surgery (Datubo-Brown et al) 1994;32:205

traumatic self-inflicted bite with embedded tooth fragments in the lower lip (Taran et al) 1994;32:431

treatment of brachymetatarsia by callus distraction (callotaxis) (Kawashima et al) 1994;32:191

Cells, metabolism

plagiocephaly: premature unilateral closure of the coronal suture: a potentially localized disorder of cellular metabolism (Pensler et al) 1994;32:160

Cervical defects; see Neck

Cervical esophagus; see Esophagus

Chemotherapy; see Drug therapy

Chest; see Thorax

Child

comparative study of auricular dimension for the normal auricles of microtia patients, their parents, and normal individuals (Matsuka et al) 1994;32:135

compartment syndrome in children (Paletta and Dehghan) 1994;32:141

cross lip flap in vermilion reconstruction (Standoli) 1994;32:214 (Case report)

fate of developing teeth in facial trauma: tooth buds in the line of mandibular fractures in children (Koenig et al) 1994;32:503

improved sternal fixation in the correction of pediatric pectus excavatum (Bentz et al) 1994;32:638 (Case report)

plagiocephaly: premature unilateral closure of the coronal suture: a potentially localized disorder of cellular metabolism (Pensler et al) 1994;32:160

treatment of port-wine stains with the flashlamp-pumped pulsed dye laser: extended clinical experience in children and adults (Alster and Wilson) 1994;32:478

Chondrocytes

fate of fresh and preserved, noncrushed and crushed autogenous cartilage in the rabbit model (Rudderman et al) 1994;32:250

Cicatrix

improvement of erythematous and hypertrophic scars by the 585-nm flashlamp-pumped pulsed dye laser (Alster) 1994;32:186

radial forearm flap as a pedicled flap for resurfacing a scarred nose (Frey) 1994;32:200 (Case report)

Cleft lip

cleft lip and hemangioma: a patient with Wolf-Hirschhorn syndrome (Lo et al) 1994;32:539 (Case report)

preoperative lip taping in the cleft lip (Pool and Farnworth) 1994;32:243

Cleft palate

hypoxia: another issue to consider when timing cleft repair, with invited discussion by Hinkle (Wood) 1994;32:15

Collagen

re: asymmetrical hypersensitivity to bovine collagen (Mullis) 1994;32:111 (Letter)

Color duplex imaging; see Ultrasonography**Compartment syndromes**

compartment syndrome in children (Paletta and Dehghan) 1994;32:141

forearm compartment syndrome following brachial arterial puncture in uremia (Safran et al) 1994;32:535 (Case report)

Computed tomography; see Tomography, computed**Computer graphics**

computer-generated slide graphics on a shoestring budget (Isenberg et al) 1994;32:332 (Short subject)

Contracture

capsular compliance: a measure of a "hard"

prosthesis (Peterson et al) 1994;32:337

radiation therapy as a cause of capsular contracture (Rosato and Dowden) 1994;32:342

Coronal suture; see Cranial sutures**Cost analysis**

computer-generated slide graphics on a shoestring budget (Isenberg et al) 1994;32:332 (Short subject)

Cranial fossa

reconstruction of defects of the anterior cranial fossa during craniofacial tumor resection (Nerobeyev and Gabibov) 1994;32:156

Cranial sutures

plagiocephaly: premature unilateral closure of the coronal suture: a potentially localized disorder of cellular metabolism (Pensler et al) 1994;32:160

Craniofacial tumors; see Facial neoplasms; Skull neoplasms**Cranium; see Skull****Cryptotia**

reconstruction of cryptotia using a skin graft (Park et al) 1994;32:441 (Case report)

Cysts

maxillofacial considerations for diagnosis and treatment in Gorlin's syndrome: access osteotomies

for cyst removal and orthognathic surgery (Posnick et al) 1994;32:512 (Case report)

nasal dermoid sinus cysts: an unusual presentation, computed tomographic scan findings, and surgical results (Posnick et al) 1994;32:519 (Case report)

Dermatofibrosarcoma

Dermatofibrosarcoma with lymph node involvement (Mavili et al) 1994;32:438 (Case report)

Dermoid cyst

nasal dermoid sinus cysts: an unusual presentation, computed tomographic scan findings, and surgical results (Posnick et al) 1994;32:519 (Case report)

Diverticulum

symptomatic lacrimal duct diverticulum associated with closed nasal fracture (Spinelli and Shih) 1994;32:434 (Case report)

DL-poly-lactic acid

memory of DL-poly-lactic acid biodegradable plates (Losken et al) 1994;32:606

Donor site

donor leg morbidity after pedicled rectus femoris muscle flap transfer for abdominal wall and pelvic reconstruction (Caulfield et al) 1994;32:377

donor site deficit of the osteocutaneous radial forearm flap (Smith et al) 1994;32:372

Double-Z rhomboid plasty

versatility of double-Z rhomboid plasty (Ardenghy et al) 1994;32:506

Dressings; see Bandages**Drug therapy**

antitumor agents: extravasation, management, and surgical treatment (Scuderi and Onesti) 1994;32:39

influence of radiotherapy and chemotherapy on regeneration at arterial microanastomoses: an experimental and clinical study (Sidorov et al) 1994;32:45

Dupuytren's contracture

Dupuytren's contracture in the black population: a review (Mittra and Goldstein) 1994;32:619

Ear

comparative study of auricular dimension for the normal auricles of microtia patients, their parents, and normal individuals (Matsuka et al) 1994;32:135

effect of frostbite on the reconstructed ear (Yousif et al) 1994;32:132

reconstruction of cryptotia using a skin graft (Park et al) 1994;32:441 (Case report)

Editorials

are there too many of us? (Krizek) 1994;32:221

field of dreams (Morain) 1994;32:334

future of surgical specialty education (Ebert) 1994;32:220

just wine (Dabb) 1994;32:110

manpower in plastic surgery (Luce) 1994;32:218

out, damned spot! (Morain) 1994;32:559

the passion play (Morain) 1994;32:648

up in arms (Morain) 1994;32:445

Education, medical, graduate

- future of graduate medical education in plastic surgery (The Association of Academic Chairmen in Plastic Surgery) 1994;32:65 (Special segment)
future of surgical specialty education (Ebert) 1994;32:220 (Guest editorial)

Elastofibroma

- elastofibroma dorsi: case report and brief review (Bieger et al) 1994;32:548 (Case report)

Elbow

- elbow defect coverage with a one-staged tunneled latissimus dorsi transposition flap (Chang et al) 1994;32:496
local fasciocutaneous flaps for olecranon coverage (Orgill et al) 1994;32:27

Employment

- subjective and employment outcome following secondary carpal tunnel surgery (Strasberg et al) 1994;32:485

Enophthalmos

- surgical treatment of posttraumatic enophthalmos: a study of 72 patients (Rončević and Stajčić) 1994;32:288

Epidemiology

future of graduate medical education in plastic surgery (The Association of Academic Chairmen in Plastic Surgery) 1994;32:65 (Special segment)
manpower in plastic surgery (Luce) 1994;32:218 (Guest editorial)
re: the racket over numbers (Van Raalte) 1994;32:224 (Letter)

Epigastric vessels

- combined paraumbilical perforator skin flap and vascularized pubic bone graft (Itoh et al) 1994;32:209 (Case report)
deep inferior epigastric perforator flap for breast reconstruction (Allen and Treece) 1994;32:32
versatile superficial inferior epigastric flap for breast reconstruction (Volpe et al) 1994;32:113

Erythema

- improvement of erythematous and hypertrophic scars by the 585-nm flashlamp-pumped pulsed dye laser (Alster) 1994;32:186

Esophagus

- extended anterior thigh flaps for repair of massive cervical defects involving pharyngoesophagus and skin: an introduction to the "mosaic" flap principle (Koshima et al) 1994;32:321 (Case report)
physiological implications of gastric transplantation for reconstruction of the cervical esophagus (Lineaweaver) 1994;32:553 (Review article)

Expanded tissue; see Tissue expansion

Extradural dead space

- extradural dead space following cranial bone advancement (Rachmiel et al) 1994;32:148

Extravasation of diagnostic and therapeutic materials

- antitumor agents: extravasation, management, and surgical treatment (Scuderi and Onesti) 1994;32:39

Eye injuries

- surgical treatment of posttraumatic enophthalmos: a study of 72 patients (Rončević and Stajčić) 1994;32:288

Eyebrow

- long-term follow-up study of browlift for treatment of facial paralysis (Ueda et al) 1994;32:166

Eyelids

- modified split-level lid resection for blepharoptosis, with invited discussion by Pearl (Atabay et al) 1994;32:276

Facial contour

- facial contour reconstruction in lipodystrophy using a double paddle dermis-fat radial forearm free flap (Endo et al) 1994;32:93 (Case report)

Facial injuries

- fate of developing teeth in facial trauma: tooth buds in the line of mandibular fractures in children (Koenig et al) 1994;32:503
tissue-expanded visor flap in burn surgery (Datubo-Brown et al) 1994;32:205 (Case report)

Facial movement

- simultaneous quantitation of facial movements: the maximal static response assay of facial nerve function (Johnson et al) 1994;32:171

Facial neoplasms; see also specific neoplasms

- reconstruction of defects of the anterior cranial fossa during craniofacial tumor resection (Nerobeyev and Gabibov) 1994;32:156

Facial nerve

- simultaneous quantitation of facial movements: the maximal static response assay of facial nerve function (Johnson et al) 1994;32:171
superficial temporal and retromandibular veins as guides to expose the facial nerve branches (Kawakami et al) 1994;32:295

Facial paralysis

- long-term follow-up study of browlift for treatment of facial paralysis (Ueda et al) 1994;32:166

Fascia

- surgical anatomy of the subcutaneous fascial system of the scalp (Tremolada et al) 1994;32:8

Fasciocutaneous flaps; see Flaps, fasciocutaneous

Fibroblast growth factor, basic

- basic fibroblast growth factor has a beneficial effect on the viability of random skin flaps in rats (Ishiguro et al) 1994;32:356
improvement of skin flap perfusion by subdermal injection of recombinant human basic fibroblast growth factor, with invited discussion by Kerrigan (Uhl et al) 1994;32:361

Fibroblasts

- fibroblast behavior in vitro is unaltered by products of staphylococci cultured from silicone implants (Dobke et al) 1994;32:118
re: fibroblast behavior in vitro is unaltered by products of staphylococci cultured from silicone implants (Edmiston and Sanger) 1994;32:650 (Letter)

Financing

- future of graduate medical education in plastic

radial forearm flap as a pedicled flap for resurfacing a scarred nose (Frey) 1994;32:200 (Case report)
- Flaps, visor**
tissue-expanded visor flap in burn surgery (Datubo-Brown et al) 1994;32:205 (Case report)
- Flashlamp-pumped pulsed dye laser**
improvement of erythematous and hypertrophic scars by the 585-nm flashlamp-pumped pulsed dye laser (Alster) 1994;32:186
treatment of port-wine stains with the flashlamp-pumped pulsed dye laser: extended clinical experience in children and adults (Alster and Wilson) 1994;32:478

Foot

functional results of microsurgical reconstruction of plantar defects (Milanov and Adamyan) 1994;32:52

treatment of brachymetatarsia by callus distraction (callotaxis) (Kawashima et al) 1994;32:191 (Case report)

Forearm

donor site deficit of the osteocutaneous radial forearm flap (Smith et al) 1994;32:372

facial contour reconstruction in lipodystrophy using a double paddle dermis-fat radial forearm free flap (Endo et al) 1994;32:93 (Case report)

forearm compartment syndrome following brachial arterial puncture in uremia (Safran et al) 1994;32:535 (Case report)

radial forearm flap as a pedicled flap for resurfacing a scarred nose (Frey) 1994;32:200 (Case report)

Forehead

reconstruction of defects of the anterior cranial fossa during craniofacial tumor resection (Nerobeyev and Gabibov) 1994;32:156

Fractures

biomechanical analysis of dorsal plate fixation in proximal phalangeal fractures (Damron et al) 1994;32:270

fate of developing teeth in facial trauma: tooth buds in the line of mandibular fractures in children (Koenig et al) 1994;32:503

surgical treatment of posttraumatic enophthalmos: a study of 72 patients (Rončević and Stajčić) 1994;32:288

symptomatic lacrimal duct diverticulum associated with closed nasal fracture (Spinelli and Shih) 1994;32:434 (Case report)

use of pericranial flaps in frontal sinus fractures (Thaller and Donald) 1994;32:284

Free flaps; see Flaps, free

Frontal sinus

use of pericranial flaps in frontal sinus fractures (Thaller and Donald) 1994;32:284

Frostbite

effect of frostbite on the reconstructed ear (Yousif et al) 1994;32:132

Funnel chest; see Pectus excavatum

Gastric tissue; see Stomach

Gelatin sponge, absorbable

vitamin A-soaked gelfoam sponges and wound healing in steroid-treated animals (Haws et al) 1994;32:418

Genetics

familial multiple glomus tumors: report of a pedigree and literature review (Tran et al) 1994;32:89 (Case report)

Giant adenoid basal cell carcinoma; see Carcinoma, basal cell

Glomus jugulare tumor

familial multiple glomus tumors: report of a pedigree and literature review (Tran et al) 1994;32:89 (Case report)

Gorlin's syndrome; see Basal cell nevus syndrome

Government

future of graduate medical education in plastic surgery (The Association of Academic Chairmen in Plastic Surgery) 1994;32:65 (Special segment)

Graduate medical education; see Education, medical, graduate

Graft survival

basic fibroblast growth factor has a beneficial effect on the viability of random skin flaps in rats (Ishiguro et al) 1994;32:356

determination of the viability of crushed cartilage grafts: clinical implications for wound healing in nasal surgery (Bujía) 1994;32:261

effects of tretinoin on random skin flap survival in the swine model, with invited discussion by Pearl (Canady and Thompson) 1994;32:180

experimental reproduction of free flap errors: a new model of thrombosis (Ozbek et al) 1994;32:474

iloprost improves survival of ischemic experimental skin flaps (Senderoff et al) 1994;32:490

improvement of skin flap perfusion by subdermal injection of recombinant human basic fibroblast growth factor, with invited discussion by Kerrigan (Uhl et al) 1994;32:361

indefinite survival of human skin allografts in patients with long-term immunosuppression (Wendt et al) 1994;32:411

optimal management of inguinal vascular graft infections (Kimmel et al) 1994;32:623

Groin

optimal management of inguinal vascular graft infections (Kimmel et al) 1994;32:623

Growth

growth potential of autogenous cartilage grafts in expanded skin: an experimental study in rabbits (Mutaf et al) 1994;32:126

Guest editorials

are there too many of us? (Krzek) 1994;32:221

future of surgical specialty education (Ebert) 1994;32:220

just wine (Dabb) 1994;32:110

manpower in plastic surgery (Luce) 1994;32:218

Gunshot wounds; see Wounds, gunshot

Hair

tissue-expanded visor flap in burn surgery (Datubo-Brown et al) 1994;32:205 (Case report)

Head and neck neoplasms; see also specific neoplasms

relationship of angiogenesis to biological activity in human squamous cell carcinomas of the head and neck (Albo et al) 1994;32:588

Healing; see Wound healing

Hemangioma

cleft lip and hemangioma: a patient with Wolf-Hirschhorn syndrome (Lo et al) 1994;32:539 (Case report)

Hemorrhage

von Willebrand's disease and plastic surgery (Guyuron et al) 1994;32:351

Humerus

reconstruction of very short humeral stumps
(Vavilov et al) 1994;32:145

Hypersensitivity

re: asymmetrical hypersensitivity to bovine collagen
(Mullis) 1994;32:111 (Letter)
latex allergy: an intraoperative hazard (Lesavoy et al)
1994;32:423 (Case report)

Hypertrophy

improvement of erythematous and hypertrophic scars
by the 585-nm flashlamp-pumped pulsed dye laser
(Alster) 1994;32:186

Hypoxia; see **Anoxia**

Ibuprofen

ibuprofen treatment of ischemic musculocutaneous
flaps (Lee and Kerrigan) 1994;32:300

Iloprost

iloprost improves survival of ischemic experimental
skin flaps (Senderoff et al) 1994;32:490

Immunosuppression

indefinite survival of human skin allografts in
patients with long-term immunosuppression
(Wendt et al) 1994;32:411

Implants, artificial

capsular compliance: a measure of a "hard"
prosthesis (Peterson et al) 1994;32:337
complex reconstruction of the chest wall and breast
utilizing a customized silicone implant (Hochberg
et al) 1994;32:524 (Case report)
critical review of augmentation mammoplasty with
saline-filled prostheses (Cocke) 1994;32:266
evaluation of ultrasound as a tool in the follow-up of
patients with breast implants: a preliminary,
prospective study (Petro et al) 1994;32:580
factors affecting the rupture of silicone-gel breast
implants (Peters et al) 1994;32:449
fibroblast behavior in vitro is unaltered by products
of staphylococci cultured from silicone implants
(Dobke et al) 1994;32:118
re: fibroblast behavior in vitro is unaltered by
products of staphylococci cultured from silicone
implants (Edmiston and Sanger) 1994;32:650
(Letter)
is there a relationship between autoantibodies and
silicone-gel implants?, with invited discussion by
Hochberg (Peters et al) 1994;32:1
postmastectomy complications in breast
reconstruction (Crespo et al) 1994;32:452
radiation therapy as a cause of capsular contracture
(Rosato and Dowden) 1994;32:342
smooth versus textured expander implants: a double-
blind study of capsule quality and discomfort in
simultaneous bilateral breast reconstruction
patients, with invited discussion by Manders (May
et al) 1994;32:225
use of expanded polytetrafluoroethylene as a
permanent filler and enhancer: an early report of
experience (Artz and Dinner) 1994;32:457
Incisional healing; see **Wound healing**

Infection

diffusion of antibiotics across tissue expanders: an
in vitro study, with invited discussion by Morain
(Kenna et al) 1994;32:346
re: fibroblast behavior in vitro is unaltered by products
of staphylococci cultured from silicone implants
(Edmiston and Sanger) 1994;32:650 (Letter)
optimal management of inguinal vascular graft
infections (Kimmel et al) 1994;32:623

Injections

improved injection system for vascular anatomical
studies having dual radiopacity and visualization
capabilities (Peden et al) 1994;32:407

Internship and residency

future of graduate medical education in plastic
surgery (The Association of Academic Chairmen in
Plastic Surgery) 1994;32:65 (Special segment)

Intestines

time limits for intestinal ischemia and congestion: an
experimental study in rats (Yano et al) 1994;32:310

Intraoperative complications

latex allergy: an intraoperative hazard (Lesavoy et al)
1994;32:423 (Case report)

Intravascular stents; see **Stents**

Ischemia

ibuprofen treatment of ischemic musculocutaneous
flaps (Lee and Kerrigan) 1994;32:300
iloprost improves survival of ischemic experimental
skin flaps (Senderoff et al) 1994;32:490
inferior rectus abdominis bridge flap for
revascularization of an ischemic tongue (Nakatsuka
et al) 1994;32:97 (Case report)
time limits for intestinal ischemia and congestion: an
experimental study in rats (Yano et al) 1994;32:310
use of urokinase during secondary ischemia in
experimental skin flaps (Israeli et al) 1994;32:305
Island flaps; see **Flaps, island**

Jejunum

time limits for intestinal ischemia and congestion: an
experimental study in rats (Yano et al) 1994;32:310

Kinky hair syndrome; see **Menkes' syndrome**

Knee

interfascicular reconstruction of the peroneal nerve
after knee ligament injury (McMahon and Craig)
1994;32:642 (Case report)
medial approach to the sural vessels to facilitate
microanastomosis about the knee (Hallock) 1994;
32:388

Lacrimal duct

symptomatic lacrimal duct diverticulum associated
with closed nasal fracture (Spinelli and Shih)
1994;32:434 (Case report)

Lasers

argon-pumped tunable dye laser (Apfelberg) 1994;32:
394
improvement of erythematous and hypertrophic scars
by the 585-nm flashlamp-pumped pulsed dye laser
(Alster) 1994;32:186

treatment of port-wine stains with the flashlamp-pumped pulsed dye laser: extended clinical experience in children and adults (Alster and Wilson) 1994;32:478

Latex

latex allergy: an intraoperative hazard (Lesavoy et al) 1994;32:423 (Case report)

Latissimus dorsi muscle

elbow defect coverage with a one-staged tunneled latissimus dorsi transposition flap (Chang et al) 1994;32:496

Leg

anteromedial thigh: a source for phallic reconstruction (Üstüner et al) 1994;32:426 (Case report)

compartment syndrome in children (Paletta and Dehghan) 1994;32:141

donor leg morbidity after pedicled rectus femoris muscle flap transfer for abdominal wall and pelvic reconstruction (Caulfield et al) 1994;32:377

medial approach to the sural vessels to facilitate microanastomosis about the knee (Hallock) 1994;32:388

random upper posterior thigh fasciocutaneous flap (Hallock) 1994;32:367

Letters

re: asymmetrical hypersensitivity to bovine collagen (Mullis) 1994;32:111

re: fibroblast behavior in vitro is unaltered by products of staphylococci cultured from silicone implants (Edmiston and Sanger) 1994;32:650

re: the presentation of personalities in plastic surgery (Becker) 1994;32:111

re: the racket over numbers (Van Raalte) 1994;32:224

re: the rat rectus abdominis myocutaneous flap: a true myocutaneous flap (Kao) 1994;32:335

re: the rat rectus abdominis myocutaneous flap: a true myocutaneous flap model (Lineaweaver) (Letter); (Dunn) (Reply) 1994;32:447

re: secondary reconstruction of abdominal wall defects associated with exstrophy of the bladder (Marconi and De Castro) 1994;32:652

Ligaments

interfascicular reconstruction of the peroneal nerve after knee ligament injury (McMahon and Craig) 1994;32:642 (Case report)

Lipodystrophy

facial contour reconstruction in lipodystrophy using a double paddle dermis-fat radial forearm free flap (Endo et al) 1994;32:93 (Case report)

Lips

cross lip flap in vermilion reconstruction (Standoli) 1994;32:214 (Case report)

preoperative lip taping in the cleft lip (Pool and Farnworth) 1994;32:243

traumatic self-inflicted bite with embedded tooth fragments in the lower lip (Taran et al) 1994;32:431 (Case report)

Lower extremity; see Leg

Lymph nodes

Dermatofibrosarcoma with lymph node involvement (Mavili et al) 1994;32:438 (Case report)

Macromastia

two-staged breast reconstruction in patients with symptomatic macromastia requiring mastectomy (Greco et al) 1994;32:572

Macrophages

potential biomaterial composite for dermal and subcutaneous augmentation (Eppley et al) 1994;32:463

Malar bone

re: correction of prominent zygomata by tripod osteotomy of the malar bone (Ousterhout) (Letter); (Satoh) (Reply) 1994;32:650

Mammary arteries

inframammary island flap: anatomical basis (Bertelli and do Valle Pereira) 1994;32:315 (Case report)

Mammoplasty

critical review of augmentation mammoplasty with saline-filled prostheses (Cocke) 1994;32:266

"L" reduction mammoplasty (Born) 1994;32:383

Managed care programs

future of graduate medical education in plastic surgery (The Association of Academic Chairmen in Plastic Surgery) 1994;32:65 (Special segment)

Mandibular fractures

fate of developing teeth in facial trauma: tooth buds in the line of mandibular fractures in children (Koenig et al) 1994;32:503

Manpower

are there too many of us? (Krizek) 1994;32:221 (Guest editorial)

future of graduate medical education in plastic surgery (The Association of Academic Chairmen in Plastic Surgery) 1994;32:65 (Special segment)

manpower in plastic surgery (Luce) 1994;32:218 (Guest editorial)

re: the racket over numbers (Van Raalte) 1994;32:224 (Letter)

Mastectomy

postmastectomy complications in breast reconstruction (Crespo et al) 1994;32:452

two-staged breast reconstruction in patients with symptomatic macromastia requiring mastectomy (Greco et al) 1994;32:572

Maximal static response assay

simultaneous quantitation of facial movements: the maximal static response assay of facial nerve function (Johnson et al) 1994;32:171

Menkes' syndrome

Menkes' syndrome: wound healing in a long-term survivor (Al-Qattan and Thomson) 1994;32:550 (Case report)

Microsurgery

analysis of suturing techniques in the microvascular anastomosis of vessels of unequal diameter (Ahn et al) 1994;32:469

functional results of microsurgical reconstruction of plantar defects (Milanov and Adamyan) 1994;32:52

influence of radiotherapy and chemotherapy on regeneration at arterial microanastomoses: an experimental and clinical study (Sidorov et al) 1994;32:45

- medial approach to the sural vessels to facilitate microanastomosis about the knee (Hallock) 1994; 32:388
- microvascular anastomoses utilizing new intravascular stents (Moskovitz et al) 1994;32:612
- some biomechanical considerations in microsutures (Van Meter et al) 1994;32:401
- Microtia**
- comparative study of auricular dimension for the normal auricles of microtia patients, their parents, and normal individuals (Matsuka et al) 1994;32:135
- Mons pubis**
- vulvar reconstruction using a mons pubis flap (Pellegrino et al) 1994;32:602

- Palmaris brevis muscle**
- new palmaris brevis musculocutaneous flap (Ueda and Inoue) 1994;32:529 (Case report)
- Parietal bone**
- extradural dead space following cranial bone advancement (Rachmiel et al) 1994;32:148
- Pectus excavatum**
- improved sternal fixation in the correction of pediatric pectus excavatum (Bentz et al) 1994;32: 638 (Case report)
- Pediatrics; see Child**
- Pelvis**
- donor leg morbidity after pedicled rectus femoris muscle flap transfer for abdominal wall and pelvic reconstruction (Caulfield et al) 1994;32:377
- Penis**
- anteromedial thigh: a source for phallic reconstruction (Üstüner et al) 1994;32:426 (Case report)
- fibroblast behavior in vitro is unaltered by products of staphylococci cultured from silicone implants (Dobke et al) 1994;32:118
- Perfusion**
- improvement of skin flap perfusion by subdermal injection of recombinant human basic fibroblast growth factor, with invited discussion by Kerrigan (Uhl et al) 1994;32:361

Pericranium; see Skull

Perineum

sliding V-Y perineal island flaps for large perianal defects (Core et al) 1994;32:328 (Case report)

Peripheral vascular diseases

analysis of lower extremity blood flow in the patient with peripheral vascular insufficiency: a guide for plastic surgeons (Lovett et al) 1994;32:101 (Review article)

Peroneal nerve

interfascicular reconstruction of the peroneal nerve after knee ligament injury (McMahon and Craig) 1994;32:642 (Case report)

Personality

re: the presentation of personalities in plastic surgery (Becker) 1994;32:111 (Letter)

Phalangeal fractures

biomechanical analysis of dorsal plate fixation in proximal phalangeal fractures (Damron et al) 1994;32:270

Phallic reconstruction; see Penis

Pharynx

extended anterior thigh flaps for repair of massive cervical defects involving pharyngoesophagus and skin: an introduction to the "mosaic" flap principle (Koshima et al) 1994;32:321 (Case report)

Photography

improved injection system for vascular anatomical studies having dual radiopacity and visualization capabilities (Peden et al) 1994;32:407

Plagiocephaly

plagiocephaly: premature unilateral closure of the coronal suture: a potentially localized disorder of cellular metabolism (Pensler et al) 1994;32:160

Plantar defects; see Foot

Plates; see Bone plates

Polytetrafluoroethylene

use of expanded polytetrafluoroethylene as a permanent filler and enhancer: an early report of experience (Artz and Dinner) 1994;32:457

Port-wine stain

argon-pumped tunable dye laser (Apfelberg) 1994;32:394

treatment of port-wine stains with the flashlamp-pumped pulsed dye laser: extended clinical experience in children and adults (Alster and Wilson) 1994;32:478

Presidential address

presidential address: 10th annual meeting of the Northeastern Society of Plastic Surgeons, September 10, 1993 (Little) 1994;32:561

Prosthesis

capsular compliance: a measure of a "hard" prosthesis (Peterson et al) 1994;32:337
critical review of augmentation mammoplasty with saline-filled prostheses (Cocke) 1994;32:266
reconstruction of very short humeral stumps (Vavilov et al) 1994;32:145
use of expanded polytetrafluoroethylene as a permanent filler and enhancer: an early report of experience (Artz and Dinner) 1994;32:457

Pubic bone

combined paraumbilical perforator skin flap and vascularized pubic bone graft (Itoh et al) 1994;32:209 (Case report)

Pyriform aperture

nasal bones and pyriform apertures in blacks (Ofodile) 1994;32:21

Race factors

Dupuytren's contracture in the black population: a review (Mittra and Goldstein) 1994;32:619
nasal bones and pyriform apertures in blacks (Ofodile) 1994;32:21

Radiation

radiation necrosis overlying the ankle joint after injection with yttrium-90 (Peters and Lee) 1994;32:542 (Case report)
radiation therapy as a cause of capsular contracture (Rosato and Dowden) 1994;32:342

Radiography

improved injection system for vascular anatomical studies having dual radiopacity and visualization capabilities (Peden et al) 1994;32:407

Radiotherapy

influence of radiotherapy and chemotherapy on regeneration at arterial microanastomoses: an experimental and clinical study (Sidorov et al) 1994;32:45

Recombinant human basic fibroblast growth factor; see Fibroblast growth factor, basic

Rectus abdominis muscle

free transverse rectus abdominis musculocutaneous flap for breast reconstruction: one center's experience with 211 consecutive cases, with invited discussion by Shaw (Schusterman et al) 1994;32:234
inferior rectus abdominis bridge flap for revascularization of an ischemic tongue (Nakatsuka et al) 1994;32:97 (Case report)
postmastectomy complications in breast reconstruction (Crespo et al) 1994;32:452
re: the rat rectus abdominis myocutaneous flap: a true myocutaneous flap (Kao) 1994;32:335 (Letter)
re: the rat rectus abdominis myocutaneous flap: a true myocutaneous flap model (Lineaweaver) (Letter); (Dunn) (Reply) 1994;32:447
stacked transverse rectus abdominis musculocutaneous flap revisited in breast reconstruction (Travaglini-Parda et al) 1994;32:565

Rectus femoris muscle

donor leg morbidity after pedicled rectus femoris muscle flap transfer for abdominal wall and pelvic reconstruction (Caulfield et al) 1994;32:377

Rectus sheath

simple technique for repair of rectus sheath defects (Asaadi and Haramis) 1994;32:107 (Short subject)

Recurrence

functional results of microsurgical reconstruction of plantar defects (Milanov and Adamyan) 1994;32:52

Reduction mammoplasty; see Mammoplasty

Reoperation

subjective and employment outcome following

- secondary carpal tunnel surgery (Strasberg et al) 1994;32:485

Stents

microvascular anastomoses utilizing new intravascular stents (Moskovitz et al) 1994;32:612

Sternum

improved sternal fixation in the correction of pediatric pectus excavatum (Bentz et al) 1994;32:638 (Case report)

Steroids

vitamin A-soaked gelfoam sponges and wound healing in steroid-treated animals (Haws et al) 1994;32:418

Stomach

physiological implications of gastric transplantation for reconstruction of the cervical esophagus (Lineaweaver) 1994;32:553 (Review article)

Subcutaneous fascia; see Fascia

Superficial temporal vein

superficial temporal and retromandibular veins as guides to expose the facial nerve branches (Kawakami et al) 1994;32:295

Sural vessels

medial approach to the sural vessels to facilitate microanastomosis about the knee (Hallock) 1994;32:388

Surgical specialties; see Specialties, surgical

Surgical tape

preoperative lip taping in the cleft lip (Pool and Farnworth) 1994;32:243

Suture techniques

analysis of suturing techniques in the microvascular anastomosis of vessels of unequal diameter (Ahn et al) 1994;32:469

Sutures

some biomechanical considerations in microsutures (Van Meter et al) 1994;32:401

Tape

preoperative lip taping in the cleft lip (Pool and Farnworth) 1994;32:243

Telangiectasia

argon-pumped tunable dye laser (Apfelberg) 1994;32:394

Thigh

anteromedial thigh: a source for phallic reconstruction (Üstüner et al) 1994;32:426 (Case report)

extended anterior thigh flaps for repair of massive cervical defects involving pharyngoesophagus and skin: an introduction to the "mosaic" flap principle (Koshima et al) 1994;32:321 (Case report)

random upper posterior thigh fasciocutaneous flap (Hallock) 1994;32:367

Thorax

complex reconstruction of the chest wall and breast utilizing a customized silicone implant (Hochberg et al) 1994;32:524 (Case report)

Thrombosis

experimental reproduction of free flap errors: a new model of thrombosis (Ozbek et al) 1994;32:474

Thumb

new palmaris brevis musculocutaneous flap (Ueda and Inoue) 1994;32:529 (Case report)

Time factors

time limits for intestinal ischemia and congestion: an experimental study in rats (Yano et al) 1994;32:310

Tissue expansion

diffusion of antibiotics across tissue expanders: an in vitro study, with invited discussion by Morain (Kenna et al) 1994;32:346

growth potential of autogenous cartilage grafts in expanded skin: an experimental study in rabbits (Mutaf et al) 1994;32:126

smooth versus textured expander implants: a double-blind study of capsule quality and discomfort in simultaneous bilateral breast reconstruction patients, with invited discussion by Manders (May et al) 1994;32:225

tissue-expanded visor flap in burn surgery (Datubo-Brown et al) 1994;32:205 (Case report)

Tissue preservation

fate of fresh and preserved, noncrushed and crushed autogenous cartilage in the rabbit model (Rudderman et al) 1994;32:250

role of preserved autogenous cartilage graft in septorhinoplasty (Guyuron and Friedman) 1994;32:255

Toes

treatment of brachymetatarsia by callus distraction (callotaxis) (Kawashima et al) 1994;32:191 (Case report)

Tomography, computed

nasal dermoid sinus cysts: an unusual presentation, computed tomographic scan findings, and surgical results (Posnick et al) 1994;32:519 (Case report)

Tongue

inferior rectus abdominis bridge flap for revascularization of an ischemic tongue (Nakatsuka et al) 1994;32:97 (Case report)

Tooth

fate of developing teeth in facial trauma: tooth buds in the line of mandibular fractures in children (Koenig et al) 1994;32:503

traumatic self-inflicted bite with embedded tooth fragments in the lower lip (Taran et al) 1994;32:431 (Case report)

TRAM flap; see Flaps, musculocutaneous

Transverse rectus abdominis muscle; see Rectus abdominis muscle

Tretinoin

effects of tretinoin on random skin flap survival in the swine model, with invited discussion by Pearl (Canady and Thompson) 1994;32:180

Ulcer

functional results of microsurgical reconstruction of plantar defects (Milanov and Adamyan) 1994;32:52

Ultrasonography

color duplex imaging for identifying perforators prior to pretransfer expansion of fasciocutaneous free flaps (Hallock) 1994;32:595

evaluation of ultrasound as a tool in the follow-up of patients with breast implants: a preliminary, prospective study (Petro et al) 1994;32:580

Uremia

forearm compartment syndrome following brachial arterial puncture in uremia (Safran et al) 1994;32:535 (Case report)

Urokinase

use of urokinase during secondary ischemia in experimental skin flaps (Israeli et al) 1994;32:305

Vascular anatomy

improved injection system for vascular anatomical studies having dual radiopacity and visualization capabilities (Peden et al) 1994;32:407

Vermilion

cross lip flap in vermilion reconstruction (Standoli) 1994;32:214 (Case report)

Violence

up in arms (Morain) 1994;32:445 (Editorial)

Visor flaps; see Flaps, visor

Vitamin A

vitamin A-soaked gelfoam sponges and wound healing in steroid-treated animals (Haws et al) 1994;32:418

Von Willebrand's disease

von Willebrand's disease and plastic surgery (Guyuron et al) 1994;32:351

Vulva

vulvar reconstruction using a mons pubis flap (Pellegrino et al) 1994;32:602

Wolf-Hirschhorn syndrome

cleft lip and hemangioma: a patient with Wolf-Hirschhorn syndrome (Lo et al) 1994;32:539 (Case report)

Wound closure

versatility of double-Z rhomboid plasty (Ardenghy et al) 1994;32:506

Wound healing

analysis of lower extremity blood flow in the patient with peripheral vascular insufficiency: a guide for plastic surgeons (Lovett et al) 1994;32:101 (Review article)

determination of the viability of crushed cartilage grafts: clinical implications for wound healing in nasal surgery (Bujía) 1994;32:261

influence of occlusive and impregnated gauze dressings on incisional healing: a prospective, randomized, controlled study (Michie and Hugill) 1994;32:57

Menkes' syndrome: wound healing in a long-term survivor (Al-Qattan and Thomson) 1994;32:550 (Case report)

vitamin A-soaked gelfoam sponges and wound healing in steroid-treated animals (Haws et al) 1994;32:418

Wound infection

optimal management of inguinal vascular graft infections (Kimmel et al) 1994;32:623

Wounds, gunshot

up in arms (Morain) 1994;32:445 (Editorial)

Yttrium

radiation necrosis overlying the ankle joint after injection with yttrium-90 (Peters and Lee) 1994;32:542 (Case report)

Zygomatic

re: correction of prominent zygomatic by tripod osteotomy of the malar bone (Ousterhout) (Letter); (Satoh) (Reply) 1994;32:650
